Except for a party's obligations arising under Section 7 or a party's willful breach of its obligations under Section 6, in no event will either party and/or its licensors be liable to anyone for any indirect, punitive, special, exemplary, incidental, consequential or other damages of any type or kind other than as a result of a party's gross negligence or willful misconduct (including direct or indirect damages for loss of data, revenue, profits, use or other economic advantage) arising out of, or in any way connected with this Agreement, including but not limited to the use or inability to use the Software Service, or for any content obtained from or through the Software Service, any interruption, inaccuracy, error or omission in the content, even if the party from which damages are being sought or such party's licensors have been previously advised of the possibility of such damages.

10. Force Majeure. This Agreement will be governed by Michigan law. No text or information set forth on any other purchase order, preprinted form or document (other than an Order) will add to or vary the terms and conditions of this Agreement. During the term of this Agreement, Customer authorizes Road Ready to identify Customer as a Road Ready customer on Road Ready website and in Road Ready's marketing

Section 6 "Confidentiality" shall survive the termination of this Agreement for three (3) years.

HARDWARE TERMS

1. Delivery

a. Road Ready will use commercially reasonable efforts to ensure on-time shipment, provided that any delay in shipment will not relieve Customer of its obligations under the Agreement. Unless otherwise provided in the Order all Hardware will be delivered FCA dock at the shipping point (Incoterms 2020). Shipment or delivery dates, as applicable, or other times of performance are non-binding estimates and are based on Road Ready's timely receipt of accurate and complete orders. Road Ready reserves the right to make available shipments or deliveries, as applicable, in installments in order to fill an order. Delay in shipment or delivery, as applicable, of any installment will not relieve Customer of its obligations to accept remaining deliveries.

b. If a scheduled shipment of Hardware is delayed by Customer, Road Ready may store such Hardware for the account of, and at the risk and expense of, Customer. If Customer has not taken delivery of such items within a reasonable period of time, as determined by Road Ready, Road Ready may, in addition to any other rights or remedies that it may have, cancel the associated Contract, in whole or in part, without liability to Road Ready.

c. Customer will pay all costs for special packaging, shipping or other handling requested by Customer and agreed to by Road Ready and other special costs or expenses incurred by Road Ready as a result of special actions or requests by Customer.

2. Risk of Loss

Notwithstanding the Incoterm (2020) selected by the parties, risk of loss or damage and any further cost and responsibility for claims, delivery, and, if applicable, placement and storage will pass from Road Ready to Customer, and delivery will be deemed to be complete, upon delivery by Road Ready to a private or common carrier, or upon moving into storage, whichever occurs first.

3. Security Agreement; Insurance

To secure payment for the Hardware and the performance of Customer's obligations under the Contract, Customer grants to Road Ready a purchase money security interest in all Hardware upon placing the applicable purchase order or signing the applicable Order Form, without further action required on the part of Customer or Road Ready. If Customer breaches this Agreement, Road Ready will have the rights and remedies of a secured creditor under the Uniform Commercial Code. Until Road Ready has received full payment of the price payable under the Agreement, Customer will maintain insurance covering all Hardware in such amounts and against such risks as is customary by

companies engaged in the same or similar business and similarly located.

4. Limited Warranty

a. Road Ready warrants to Customer only that the Road Ready Hardware will be free from defects in material and workmanship for either the warranty term specified on a related quote, service agreement, or hardware packaging, or for 15 months from the date Road Ready ships the applicable Road Ready Hardware to Customer if no other warranty term is specified on the related quote, service agreement, or hardware packaging. If Customer is not the original end user of the Road Ready Hardware, Customer may assign this warranty to the entity that is the original end user of the Road Ready Hardware (a "First Retail User"), which may, for the avoidance of doubt, be an entity that purchases a product (such as a trailer) from Customer with Road Ready Hardware installed. Such assignment must occur concurrent with the initial re-sale of the Hardware from Customer to the First Retail User. In no circumstances will both Customer and a First Retail User be permitted to make a claim under the warranty for the same Road Ready Hardware.

b. ALL OTHER WARRANTIES ARE DISCLAIMED PURSUANT TO SECTION 8 OF THE GENERAL TERMS. Road Ready's advertising, product brochures, and sales presentations present Road Ready's opinion only; do not present representations, affirmation or promises; are not part of the basis for the bargain; and will not be relied on by Customer or the First Retail User.

c. ROAD READY'S SOLE RESPONSIBILITY UNDER WARRANTY IS LIMITED TO HARDWARE REPAIR, HARDWARE REPLACEMENT OR REFUND OF THE PURCHASE PRICE ACTUALLY PAID BY CUSTOMER FOR THE DEFECTIVE HARDWARE AT ROAD READY'S SOLE OPTION.

d. Road Ready will have no liability for defects or otherwise, whether hidden or apparent, resulting or arising from (i) the failure of the First Retail User or Customer, as applicable, to comply with any operational or maintenance guidelines or instructions; (ii) normal wear and tear; (iii) physical abuse or other misuse of the Road Ready Hardware or any component thereof, or acts of vandalism by any persons other than Road Ready or its employees and agents; (iv) incorrect or improper installation (including, without limitation, the use of any mounting bracket, surface preparation, harnessing or other equipment or process not approved by or provided by Road Ready for use with the Road Ready Hardware) by companies or individuals other than Road Ready or its employees and agents; (v) alterations, modifications, additions, or repairs made during the warranty period by anyone other than Road Ready or its employees and agents; (vi) accidents or damage not caused or contributed to by

the sole negligence of Road Ready or its employees and agents; (vii) damage caused by another product; (viii) changes in wireless technology; or (ix) any other actions by Customer or its employees or agents, or any third parties (including the First Retail User), which could reasonably lead to Road Ready Hardware failure through no fault of Road Ready or its employees and agents.

e. The replacement of defective Road Ready Hardware will be made at Road Ready's discretion and is expressly conditioned on Customer and the First Retail User, as applicable, following the warranty procedures made available or provided by Road Ready, including Road Ready's Chargeback Policy which can be found at <https://roadready.com/chargeback-policy/>. Road Ready's warranty department will conduct an analysis of the returned Road Ready Hardware. Road Ready Hardware replacement procedures under this limited warranty will be detailed outside of this Agreement, and this warranty is expressly subject to and conditioned upon compliance by Customer's and the First Retail User's compliance with those warranty procedures.

f. Customer is prohibited from assigning this warranty to any person or entity other than a First Retail User as set forth in sub-section 4.a; any warranty assignment in violation of these Terms, including without limitation this sub-section 4.f, are voidable by Road Ready in its sole discretion. Customer understands and agrees that if it provides Hardware warranties in excess of those provided in this Section 4, in violation of these Terms, or to a party other than a First Retail User as set forth in sub-section 4.a, it will be solely responsible for such excess or additional warranties and will indemnify and hold harmless Road Ready, its affiliates and each of their officers, members, directors, employees and agents (the "Road Ready Indemnified Parties"), for any claims, liabilities or damages arising from such excess or additional warranties.

5. Order Cancellation

a. **Order Cancellation.** Customer may not cancel or alter any order for Hardware except upon terms and conditions acceptable to Road Ready, as evidenced in a writing signed by an authorized employee of Road Ready.

b. **Effect of Termination and/or Order Cancellation.** If Road Ready terminates the applicable Agreement pursuant to Section 4.b of the General Terms or approves an Order cancellation requested by Customer, Customer will pay to Road Ready, in addition to any other amounts to which Road Ready may be entitled under law or contract: (a) the agreed

unit prices for completed Hardware under the Agreement or any related Order; (b) all other costs incurred by Road Ready prior to cancellation directly connected with work under the Agreement or any related Order; (c) all other costs incurred by Road Ready associated with the cancellation of the Agreement or any related Order, including, without limitation, cancellation charges under subcontracts, charges for packing, removal to storage and/or restocking; plus (d) 10% of the sum of the amounts contemplated by clauses (a) through (c) above. Until Road Ready has received all such charges, all cancelled Hardware will remain the sole and exclusive property of Road Ready.

6. Hardware Use Limitations

Customer understands that the Hardware is intended to be used only in accordance with its specifications and only as part of the Road Ready System. Customer acknowledges that Road Ready developed the Road Ready System, including the Hardware, as part of an integrated system at great expense, and it may contain trade secrets and protected intellectual property, and accordingly, Customer will not, and will not knowingly permit others under its control to (i) modify the Hardware, (ii) decompile, reverse-engineer, disassemble, or otherwise attempt, directly or indirectly, to clone or replicate the Hardware or any part of the Road Ready System or (iii) use or install the Hardware in combination with any other software or subscription service not provided by Road Ready without Road Ready's prior written consent in each instance. Customer understands that as a result of installing the Hardware, Road Ready may collect and process data that is sent to or received by the Hardware, and Customer agrees to Road Ready's collection and use of such data. Customer understands that any and all data and information that is received, collected or generated by the use of, or stored by, the Hardware, with the exception of or related software and services, including all output, copies, reproductions, improvements, modifications, adaptations, translations, abstracts, summations, tokens and other derivative works thereof will be owned by Road Ready, with no right, title, interest or license accruing to Customer or any other third party.

7. Changes in Hardware

Road Ready reserves the right to change the design and/or functionality of any Hardware without assuming any obligation to modify any Hardware manufactured previously or to replace warranted Hardware other than with redesigned Hardware.
