

# Powerful Advanced Trailer Monitoring Solutions. Simple.

## CLEARER, MORE THOUGHTFUL INSIGHTS.

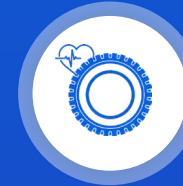

These systems all connect and operate through the MCU.

\* Add any Road Ready solution to your fleet and get a year of Track & Trace on us.

### TRACK & TRACE\*

Know where your assets are at all times.

### TIRE HEALTH SYSTEM

Monitor tire pressure and temperature to reduce blowouts.

### LIGHTS OUT DETECTION SYSTEM (LODS)

Reduce citations caused by lights—the #1 moving violation.

### CARGO & WEIGHT MANAGEMENT

Increase operational efficiency and load safety.

### DOOR OPEN MONITORING

Monitor unauthorized door opens to keep cargo safe.

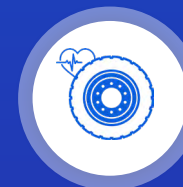

### ABS MONITORING

Know when brakes are overheating or showing signs of wear.

### TEMPERATURE MONITORING

Have up-to-date reefer temperatures at all times.

### WHEEL-END HEALTH

Avoid costly—and dangerous—catastrophic wheel failure.

*Contract must be signed by March 31, 2024. Clariance Technologies reserves the right to cancel or modify this program at any time. Customer must upgrade telematics system with a minimum of one additional smart sensor per trailer and sign a new contract of at least three years. A minimum of 10 trailers are required to qualify for offer for new customers.*
